

# backyarding

[ 'bak- 'yărd-ing ]

(verb): the act of using the family yard to safely engage in everyday activities, including but not limited to: social gatherings, celebrating milestones/holidays, working, studying, playing, exercising, relaxing.

- Invest in your yard – and yourself
- Consider the purpose of your yard.
  - Design and plant for your lifestyle (and climate zone).
  - Enjoy outdoor living year round.

Powering good.
